

A puzzle in progress: Piecing together clinical trial data in NDMM

Friday 16th May 2025 | 12:50–14:20 CEST
Lecture Hall, Le Méridien Etoile, Paris, France

Faculty

Katja Weisel, MD (Chair)
University Medical Center,
Hamburg-Eppendorf,
Hamburg, Germany

Joshua Richter, MD, FACP
Mount Sinai Hospital,
New York, USA

Suzanne Lentzsch, MD, PhD
Columbia University Irving
Medical Center, New York, USA

Agenda

Welcome and introduction	Katja Weisel (Chair)
Forming the picture: What have we learned from clinical trials in transplant-eligible NDMM? <i>With integrated discussion</i>	Katja Weisel
Filling in the gaps: Adding clarity to the puzzle picture through trials in non-transplant NDMM <i>With integrated discussion</i>	Joshua Richter
Missing pieces of the puzzle: Addressing gaps, unmet needs, and potential shifts in the evolving NDMM treatment landscape <i>With integrated discussion</i>	Suzanne Lentzsch
Q&A and close	All
